I highly recommend How to Own Your Home Years Sooner and Retire Debt Free (U.S. Edition) and the Speed Equity Software to anyone seeking freedom from the weight of a 30-year mortgage. The banking industry doesn't want you to know the information in this book because it leaves money in YOUR pocket as opposed to THEIRS.

There is another type of arrangement that might be described as "writing your own mortgage," where the buyer arranges his (or her) own financing. Instead of using a bank, a buyer might find his own investor to hold the mortgage for him. An example would be if I were to buy a house that needs fixing up.

Design the payment coupon book with Adobe InDesign. InDesign is a layout program that is ideal for this type of project, because you can create boxes, lines, and text boxes fairly quickly using guidelines and grids ("snap to grid"). Create a standard 8 1/2-by-11-inch document and separate it into three rectangular boxes to create your coupons.
