*Become an advisor | Sun Life*

I got licensed for Life and Health recently after studying retirement planning, life insurance and annuities for 2 years for my husband and I. After talking to several financial planners and getting conflicting answers, some bashed the others' ideas, some gave very unique perspectives, I decided I wanted to make the industry better and start with financial education for clients.

We worked quickly to create a new experience that combined two perennial favourites - dinosaurs and LEGO - with safety at its heart. So, a one-way route, limited physical interaction, social distancing, increased cleaning, compulsory face coverings - the lot! As the experience is a brand new one, it was hard to gauge how long people would ...

### *Life Science Centre (Newcastle upon Tyne) - Tripadvisor*

New financial advisors should prospect the most. I recommend new advisors spend at LEAST 50% of their day prospecting, and I feel more comfortable seeing that number somewhere around 75% of their day. This means if a new financial advisor works eight hours per day, four hours should be spent getting in touch with or following up with prospects.
