LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

## The Night Before St Patricks

Written in the same style as A Visit From St. Nicholas / 'Twas The Night Before Christmas by Clement C. Moore. Two children set 'leprechaun traps' the night before St. Patrick's Day. The night morning they found they've caught one and they ask him where to find his hidden gold, but he tricks them and wishes them better luck next year.
