The Nikopol Trilogy By Enki Bilal Translated by Justin Kelly. For all the complaints leveled against American comic book creators and publishers regarding "late" books, The Nikopol Trilogy upsets the apple cart a bit. The first part, "The Carnival of Immortals" or "Gods In Chaos", appeared in 1980, with the second album, "The Woman Trap" arriving in 1986, and the final volume, "Cold Equator ...

Immortal (film)—TV-Tropes

The Nikopol Trilogy remains a seminal work in graphic novels, a mature and original story told with a unique and inspiring artistic talent. Bilal, along with Moebius, was the inspiration behind Ridley Scott's Bladerunner, and no doubt countless other 'mainstream' artists working in both film and graphic novels today.
