The Power of Context is a radical idea because it posits that people's environments are more influential in determining their actions than people's personalities or innate psychologies. While it's true that Goetz was a racist and a moody, angry man, it was (Gladwell argues) Goetz's environment that finally triggered him to shoot at the ...

The Tipping Point: Chapter Four Summary & Analysis - LitCharts

The power to raise and maintain armed forces is the responsibility of Congress, and it has the power to declare war. The Senate, but not the House of Representatives, has the power to approve treaties with foreign governments as well.

The Powers of Congress

Some people are meant to be more productive in the morning than at night, and vice versa. Believe it or not – your body has been programmed to function much better at certain times of the day than others. Based on general morningness and eveningness preferences, different people fall into different classifications, called “Chronotypes”.
