Win some, lose some. As I mentioned in my previous post, I had hoped for good things from Toni Cade Bambara's *The Salt Eaters*, which is why I included it on my Classics Club List. The novel centers around the experience of a young woman named Velma as she is in the process of being healed by the faith-

Bambara

The Salt Eaters, by Toni Cade Bambara, is set in Georgia in the 1970s, and it tells the story of an African American woman named Velma Henry. Velma is a political activist in her forties who has become depressed and disillusioned with her fight for civil rights and her constant battle against oppression.
