...

It offers understanding and hope by revealing God's love and illustrating how each of us is able to get in touch with our soul and create a better reality. This book will prove insightful to anyone who has been or is addicted to "things" (e.g. work, alcohol, gambling, sex, food and more) which keep us from experiencing our true selves.

Babylon 5 is an American science fiction television series created, produced and largely written by J. Michael Straczynski. The show centers on the Babylon 5 space station: a focal point for politics, diplomacy, and conflict during the years 2257-2262. With its prominent use of planned story arcs, the series was often described as a "novel for television".
