Nausea and vomiting can be one of the first signs of pregnancy and usually begins around the 6th week of pregnancy.It can occur at any time of the day, and for most women, it seems to stop after the 12th week of pregnancy. Morning sickness is not harmful to you or your baby, but if you experience excessive vomiting and cannot manage to keep your food down, you may have hyperemesis gravidarum.

The Sickness
Question: "Why does God allow sickness?" Answer: The issue of sickness is always a difficult one to deal with. The key is remembering that God's ways are higher than our ways (Isaiah 55:9). When we are suffering with a sickness, disease, or injury, we usually focus solely on our own suffering.
