## **The Threat Matrix The Fbi**

Covering more than 30 years of history, from the 1980s through Obama's presidency, The Threat Matrix explores the transformation of the FBI from a domestic law enforcement agency, handling bank robberies and local crimes, into an international intelligence agency -- with more than 500 agents operating in more than 60 countries overseas -- fighting extremist terrorism, cyber crimes, and, for the first time, American suicide bombers.

## **The Threat Matrix: The FBI at War in the Age of Global ...**

The Threat Matrix is the story of a small group of FBI agents who believed that they could confront a new generation of international terrorists like al Qaeda without sacrificing America's moral high ground. Relying on thousands of pages of once-secret documents—as well as hundreds of interviews—Garrett M. Graff takes us inside the FBI and its attempt to protect America, including the Bureau's behind-the-scenes fights with the CIA, the Department of Justice and five White Houses over ...

From the corridors of the Hoover Building to the cells of Gitmo and the mountains of Afghanistan, Yemen and Pakistan, Graff tells the true story of how a generation of FBI agents taught themselves to confront threats no one had ever seen before. THE THREAT MATRIX is also the story of the war within the war: the fierce battles between the FBI and CIA and Bush Administration and within the Bureau itself. Spanning five decades and eight presidents, the product of unprecedented access and vast ...
