In The Wisdom of Menopause, I dispel many myths about midlife, including this one. Menopause is actually the renaissance of your life -- and you get to be Leonardo Da Vinci. As you create the life you want, expect a few challenges along the way. You may switch careers, become single or an empty nester, or move. That's okay!

Wisdom From 'The Wisdom of Menopause' | *HuffPost Life*

Alexandra addresses the concept of 'perimenopause' and the sacredness of menopause itself, we talk about the preparation that menstrual cycle awareness provides for menopause (and how there's nothing to worry about if you haven't engaged with your cycle until now) and about the wisdom and power that is available when women learn to trust their bodies through this transition.
