Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

Thinking Differently An Inspiring Guide

Thinking Differently will not overwhelm parents with legal jargon, but it will guide them through what laws are on their side and what they can insist that schools provide for their child. With compassion and hope, Flink describes the importance of testing and diagnosis to equip parents with the tools they need to advocate authoritatively on their child's behalf and to seek the most effective accommodations—from technology to extra time and medication—to guarantee that their child ...

teaching, and supporting the 20 percent of students with learning disabilities.

Thinking Differently on Apple Books

Start turning pages in David's new book...it won't be long before you'll be turning a page in your child's learning life. David knows through firsthand experience how the label of "learning disability" is really learning that it's "this ability" that counts: to be able to think differently. David, his writing, and his leadership at Eye to Eye and beyond inspire kids to advocate for themselves, and begin not only to hope for the best — but to be the best, as they grow and become young adults.

Thinking Differently by David Flink | Audiobook | Audible.com

Philip Schultz, Author of My Dyslexia and winner of the Pulitzer Prize. I wish I'd read David Flink's Thinking Differently when my wife and I first learned our son was dyslexic; its clear and informed guidance would have spared us a lot of confusion and duress. I'm saying this not only as a parent but as a dyslexic who suffered many of the difficulties outlined in this wonderfully ...
