Thoth Architect Of The Universe

Ellis is to be applauded for his research that sheds a new light on Thoth. Although I would not consider Thoth an 'architect of the universe,' his place in ancient history is important and his contributions to humanity are enormous. This is a great book for research purposes. Bettye Johnson, author, Secrets of the Magdalene Scrolls.

Thoth Architect Of The Universe The Great Architect of the Universe or Grand Architect of the Universe is a conception of God discussed by many Christian theologians and apologists. As a designation, it is used within Freemasonry to both represent the deity neutrally and to combine God with math and science.

Thoth Architect Of The Universe

Thoth was the master architect who created the blueprint of our reality based on the patterns of sacred geometry. It is here, in the duality - duat - underworld - chaos - void - place of creation 'outside the box' of our experience - reflected in gods and goddesses, the landscapes of Egypt including the pyramids and temples - that we experience until we evolve in the alchemy of time and consciousness.
