The use of spirit rescue and spiritual releasement therapy remain controversial within the medical community. Considered by many to be a complementary or alternative practice. Practitioners sometimes use diagnoses which are not recognized within the mainline of psychiatric practice. References. Fiore, Edith (1995). The Unquiet Dead. Ballantine Books.

Spirit rescue - Wikipedia

At the time of death a soul may become disoriented and not follow the normal pathway of moving into the Light. In such a case the soul may become attached to a living person, creating a variety of difficulties and symptoms for the host. You will learn a holistic and compassionate approach to freeing those who have become so attached, and thereby freeing the clients who have been affected by ...
