[PDF] Transference and Countertransference Read Full Ebook ...

Countertransference is essentially the reverse of transference. In contrast to transference (which is about the client's emotional reaction to the therapist), countertransference can be defined as the therapist's emotional reaction to the client. Similarly to transference, countertransference is a common occurrence in therapy.

Transference vs. Countertransference: What's the ...

The countertransference definition can be thought of as the clinician's response to a client's transference. Countertransference is an excellent reminder that clinicians are human beings with feelings and emotions. During a session, a client may open up and bear their souls causing a strong emotional reaction.

Transference vs. Countertransference: What's the big deal ...

Within the therapeutic context, this phenomenon is known as transference and countertransference — concepts originated by Sigmund Freud and later adopted by therapists worldwide. Two Common Pitfalls in Therapy Transference describes the act of unknowingly transferring feelings for someone from the past onto a therapist.

Effectively Handling Transference and Countertransference

Countertransference is what happens when the counsellor reacts to the client's transference. It is important to be able to realise we are doing this, and then to work out whether any internal responses that we are experiencing are based on our own pathology or contain unconscious communication from the client.

Transference, Countertransference and Projection ...

Transference, and especially countertransference, constitute the principle focus and axis of the author's re-examination and development of psychoanalytic technique and theory, written to...

Transference and Counter-transference - Heinrich Racker ...

Transference and countertransference are two fundamental terms in psychoanalysis. They are foundational in clinical practice and while they are two different concepts, transference and countertransference are clearly inseparable.

Transference And Countertransference - Exploring your mind

The foregoing has focussed on transference but implicit throughout has been the complementary phenomenon of countertransference, from Breuer's shocked withdrawal from Dora's transference love to Freud's distress at being abruptly abandoned by Dora who, he later realised, was re-enacting a revenge scenario.
