Trapped In A Video Game is that book. We gave it to him on his birthday. He was wary because we have given him books before and the track record is not good. I encouraged him to read just the first page and then make his judgment. I knew he would like the joke on the first page. While he was reading the first page, I left the house to run an errand.

Trapped in a Video Game was a well-written, engaging story for 8-10 year old readers. The language is age appropriate. While there is violence, it is kept very much at the basic video game level. There is no blood or guts or anything like that. When characters die they reset to the beginning of the level.
