RESEARCH - Lourdes Ortega

Second language acquisition, or SLA, is a theoretical and experimental field of study which, like first language acquisition studies, looks at the phenomenon of language development -- in this case the acquisition of a second language. The term "second" includes "foreign" and "third", "fourth" (etc.).

Understanding second language acquisition by Lourdes ...

Understanding Second Language Acquisition offers a wide-encompassing survey of this burgeoning field, its accumulated findings and proposed theories, its developed research paradigms, and its pending questions for the future. The book zooms in and out of universal, individual, and social forces, in each case evaluating the research findings that have been generated across diverse naturalistic and formal contexts for second language acquisition.
