If you have any other competitions you'd like advice on, please send us an email.

### Study of Life - Recommended Books - USABO, AP Bio, and ...

Here's the best way to study for USABO in my opinion. First of all, 40% of the questions on the test come from the animal and plant physiology sections (16 chapters combined). You have to study these sections at least 2 times for open exam. Cellular biology (~10 Chapters) makes up 20 % of the test.
