Viscount Breckenridge To The Rescue (2011) About book: Completely biased in favour of this - I live in a TINY village in Scotland - and Stephanie Laurens features it in this book! Never mind about the story, it's all about the name check.For those who want to know about the book - look, it's a Stephanie Laurens, only this time the hero is selflessly tutoring the heroine in the Art of Love across Scotland, not London.
