relationship between the church and the world of art. Faith and art were not always discordant. According to Dyrness, Israel understood imagery and beauty as reflections of God's perfect order; likewise, early Christians used art to teach and inspire. However, the Protestant church abandoned

**Visual Faith: Art, Theology, And  
Worship In Dialogue ...**

Visual Faith is one of many helpful titles in this series, focusing specifically on the incorporation of visual arts in worship practice. The book addresses the Protestant Reformers' rejection of images in the church, considers how that has affected the visual arts in the church today, and questions the biblical validity of this rejection in favor of a thoughtful revitalization of the visual
