She was given the name "The King's Sister", and became a friend to him and his children until his death. She outlived both the King and his last two wives, making her the last of the six wives to die. Marriage to Henry VIII: 6 January 1540 - 9 July 1540 (6 months, 3 days); annulled. Catherine Howard

This is a group of those who were tired of being the husband and took over as the wife and sometimes soccer mom. I always loved to see couple and dreamed even when young me as the wife. I dreamed of assuming the female role just like the other wives I envied. This is a chance for you to join a special wife's club where we all have something i common.. What fun!!!

We had talked about it for a couple of years before we finally did it. Our first 3some was with a close friend of ours who was just recently divorced at the time. We were all 3 unexperienced so the first time was a bit awkward. My wife talked about it and though we agreed that it was a bit strange, we both agreed that we should explore it further.
