Weapons and tactics are interdependent. When one changes the other changes. Muskets The main weapons of the American Revolution were the muzzleloading flintlock musket, its attached bayonet, and the cannon. Secondary weapons were the rifle and pistol, swords and other cutting weapons. By far, the most common weapon was the smoothbore flintlock ...

In the United States, a SWAT (special weapons and tactics) team is a law enforcement unit which uses specialized or military equipment and tactics. Although they were first created in the 1960s to handle riot control or violent confrontations with criminals, the number and usage of SWAT teams increased in the 1980s and 1990s during the War on Drugs and later in the aftermath of the September 11 attacks .
