Jobs that Involve Social Studies - Study.com

From Wikipedia, the free encyclopedia. Jump to navigation Jump to search. In the United States education system, social studies is the integrated study of multiple fields of social science and the humanities, including history, geography, and political science. The term was first coined by American educators around the turn of the twentieth century as a catch-all for these subjects, as well as others which did not fit into the traditional models of lower education in the United States, such ...
