When Willow the duckling feels sick just before she's supposed to go on stage, she's worried she'll miss her big moment. Dr. KittyCat must get quacking and figure out what's wrong! Contributor: Jane Clarke first started writing for children as a library assistant. She has now written over forty books for young people.

~~Willow the Duckling (Dr. Kittycat #4) : Jane Clarke ...~~

Willow the Duckling is an adorable tale that will hold kid's attention with it's imagery, pictures, and theme. Let's face it - animals win the day when it comes to our kids. Especially animals that are doing very human-like things. Here we have a kitty cat who is an acting doctor (or vet, I guess since all her patients are animals).
