The Winchester Model 72 and the related Model 72A were American bolt-action .22 caliber sporting rifles produced by the Winchester Repeating Arms Company from 1938 to 1959. Available in a number of configurations, the Model 72 was Winchester's first design for a tube magazine-fed rifle. The 1930s is when the "boy's rifle" segment faced a period of intense competition, with manufacturers such as ...

Hey Jerry, you know, in my opinion, as much as I obviously love the 72, Winchester never did get the feeding tube right on it. The A was in response to some feeding issues on the original, and my A, which is like new, has a nagging problem inherent in the design---I cannot fill the tube up till I see that last round in the loading window, when I do I cannot close the inner mag !!

Winchester Model 70 Bolt-Action Rifle Owner's Manual

For years dealers had been asking Winchester to make a reasonably priced tubular magazine repeater. Clip-fed magazine repeaters have the objection of a loose magazine to lose and rarely feed the Short, Long and Long Rifle cartridges interchangeably. In 1939 the model 72 was introduced to fill this demand.

Winchester Model 72 - Shooting with Hobie

I have owned a Winchester 72A for several years and like it a lot. Mine was made late enough for tip off grooves so it's scoped. Had wanted a 69A, but a good one with the grooves never presented itself for a price I was willing to pay. Saturday I was in a gun shop in a town about an hour away and a Winchester 72 was on the rack. Decent shape and for what I thought a pretty reasonable price.

Difference between Winchester 72 and 72A

The Winchester Model 70 is also shown disassembled to the extent necessary in order to follow instructions contained in this book (See Figure 1-B

through 1-D). Figure 1-E covers the general features and benefits of the Model 70 design. FIGURE 1B FIGURE 1C FIGURE 1D Manual ejector gives more control over the way a cartridge is ejected. Unlike ...

Winchester Model 72 Accuracy Testing. April 13, 2020 April 13, 2020 by Shawn. You may recall the Winchester Model 72 I bought a few weeks ago from A Boy And His Rifle Part V. I finally got the time to set down at the bench with some match ammo this weekend. Above you can see the 10 shot groups all fired from a bench rest at 50 yards.
