How to Write a Business Contract - FindLaw

The basics for writing business contracts. We'll help you write your own business contract with our step-by-step instructions. But here's a primer for what'll be in there. The first step in putting together a business contract is to establish the parameters or subjects of the deal to be exchanged. While the physical document is usually compiled by one party, a meeting or conversation between everyone involved offers a chance for all parties to contribute wants, needs and terms before signing.
