Xenogears Strategy Guide Playstation PS1 | eBay First of all there aren't any maps. Maps are essential for a strategy guide if you ask me. Especially for a game as large as Xenogears. Even with the "directions" in the walkthrough given, you'll end up in the wrong place. You'd have better luck stumbling around a dungeon at random than trying to rely on the information this guide provides.

Xenoblade Chronicles 2 Wiki Guide - IGN Xenogears is a role-playing video game developed and published by Square for the PlayStation video game console.The debut entry in the larger Xeno franchise, it was released in Japan in February 1998, and in North America in October the same year.
