Franck's "Zen and Zen Classics" is his editing of the writings of R. H. Blyth on Ch'an/Zen, which are otherwise out of print. It is a great book, specially since it contains the only in-print works of Blyth, who Franck says is the indispensable interpreter of Zen for the western mind, and that Blyth is the ever-open eye.

This is not a dry scholarly book on Zen. It is a fascinating introduction into a study of self-enlightenment and inner reason that has been a driving force of all Japanese culture. Written by Reginald Horace Blyth (1898-1964) this is a volume free of the dry pedantry that has hobbled so many well meaning French and English studies of Zen.

Zen and Zen Classics volume 1 by Blyth, R. H. (ebook)

Blyth is the classic englishman educated in his own culture and western culture who turns to the east. People like this don't exist anymore. From a literary, poetic, and spiritual perspective, Blyth has authority. This is a one-of-a-kind exploration of what it means to be zen using eastern and western literary examples.
