and also for catering.

**Caccia - Wikipedia**

In both France and Italy, canons were often used to illustrate hunting songs. The Italian word for hunting is "caccia", the Medieval French word "chace" (modern spelling: "chasse"). A well-known French chace is the anonymous *Se je chant mains.*
Cacia's Bakery

Caccia a poetic and musical genre of 14th-century Italy. In cacee the words usually depict the hunt, although such subjects as fishing and fairs were also treated. The French term for the genre was chasse. The music was intended to illustrate the text. Cacee were usually composed for two singing voices and one instrument; imitation
