Social class in the United States refers to the idea of grouping Americans by some measure of social status, typically economic, however it could also refer to social status or location. The idea that American society can be divided into social classes is disputed, and there are many competing class systems.

**Social class in the United States - Wikipedia**

The term "social class" is commonly used in American culture today but is not well-defined or well-understood. Most of us have a sense of a hierarchy in society, from low to high, based on income, wealth, power, culture, behavior, heritage and prestige. The word "class" appended after terms such as "working," "ruling," "lower" and "upper" is a ...

**What Determines How Americans Perceive Their Social Class?**
Social class, also called class, a group of people within a society who possess the same socioeconomic status. Besides being important in social theory, the concept of class as a collection of individuals sharing similar economic circumstances has been widely used in censuses and in studies of social mobility.
