Journey of the Prairie King - Stardew Valley Wiki
The Warrior King possessed some limited psychokinetic powers which enabled him to levitate. He was also equipped with a fighting rod with certain powers, which also guided him to the Orb. After several travels through the multiverse, the orb ended up in space, and the Warrior on Earth, around 2450.

King was in Caronport for a series of practices with the PHA, making his second visit to the team this season as the Canadian Sport School Hockey League campaign enters its stretch drive. “Coming to the Prairie Hockey Academy has always been a real pleasure for me,” King told Jeremy Demoskoff with the PHA.
The Lords of the Prairie is the fifteenth episode of the animated series, Pocahontas. Hopi-Ho has recognized the strange Indians who have attacked them: they are Hopi warriors of Spider Woman’s Clan. To defeat them, Pocahontas and Hopi-Ho ask for help to the Kachina Spirits and at the end they...

Warriors of the King would have benefitted from more contextual material on the Canadian war effort, especially on the domestic front. The treatment of Aboriginal veterans in the post-war period had parallels with the treatment of several immigrant minorities, the war having brought nativist attitudes to the surface.
Review of *Warriors of the King: Prairie Indians in World War I*. ... Surviving evidence indicates that the Indians of the prairie provinces enlisted for three principal reasons: the survival of a warrior's philosophy or ethic; the existence of a loyalty to the British Crown; and the opportunity to escape the stagnant life on the reserve. ...
